Full/Part Time	Lecturer Name	Highest Academic Qualification	Awarded by	Course Title	Module Description
Full-time	John Sylvinco Matero	MEng in Education (Electronics and Communications Engineering)	Dela Salle University, Philippines	BEng(Hons) in Electronics and Communications Engineering	Applied Engineering Mathematics Digital Signal Processing and Microprocessor Individual Project Microwave Engineering
				BEng (Hons) in Mechatronics	Analog Electronics Mechatronics Electronic Instrumentation Individual Project Industrial Machine Control Systems
				BEng (Hons) Telecommunications and Networks	Analog Electronics Digital Electronics
				BSc (Hons) Business Management	Accounting
				BSc (Hons) Computer Network and Security	Individual Project
				BEng (Hons) Mechatronics	Systems Integration
				BEng (Hons) Electrical and Electronics Engineering	Electrical Transmission and Distribution Advanced Digital Design Control and Instrumentation Engineering
				BEng (Hons) Mechatronics BEng (Hons) Electrical and Electronics Engineering	Analog Electronics Digital Electronics Electrical Technology Electrical Machines and Drive Systems Industrial Attachment Industrial Electronics Advanced Engineering Mathematics
				Diploma in Engineering Technology	Engineering Mathematics Analogue Electronic Technology Circuit Theory Electrical Technology Introduction to Programming Data Communication and Networks Internship Physics Elective Mathematics(Foundation)
				Certificate of Foundation for Higher Education	Mathematics(Foundation) Physics(Foundation)
				MSc in Business Management	Business Research Methodology
	Thanalakshmi D/O Thambiayya	Master of Business (Information Technology)	Curtin University of Technology, Australia	BSc (Hons) Business Management	Dissertation International Marketing Research Methods for Business Students Personal Hr and Authentication Systems
				Higher Diploma in Business Management	Business and Social Entrepreneurs Business Information Systems International Business Research Methods
				BSc (Hons) Computer Network and Security BEng (Hons) Electrical and Electronics Engineering	Data Structures for Multimedia Project Management
				Mechatronics in Electrical Engineering	Introduction to Environmental
				Master of Business Administration	Political Macroeconomic Principles
				MSc in Programme and Project Management	Dissertation Leading Transformation and Change Project Management Research Methods and Professional Skills
				BSc (Hons) in Computer Security	Professional Practice
				MSc in Project Management	Business & Information Strategies Project Risk Management
	Matthew Tan Weng Siang	MSc Business Management	London South Bank University, UK	Certificate of Foundation for Higher Education	Organisational Behaviour Business Economics Essential Skills for Academic Success Human Resource and Analytics
				Higher Diploma in Business Management	Introduction to Business Management Skills for Independent Learning Introduction to Business Research Methods Introduction to Business Organisation Business Information Systems
	Alfred Tan Cheng Teck	MSc(Weapon Effects on Structure)	Royal Military College of Science (RMCS), Cranfield Institute of Technology, (CIT), UK	Certificate of Foundation for Higher Education	Mathematics(Foundation) Physics(Foundation) Electrical Technology
				Diploma in Construction Project Management	Electronic Circuits for Applications Structural Analysis
				Diploma in Engineering Technology	Reinforced Concrete Design (Theory) Engineering Mathematics
				BEng (Hons) Mechatronics	Advanced Engineering Mathematics
				BEng (Hons) Electrical and Electronics Engineering	Digital Electronics Site Management Commercial Development Collaborative Practice Dissertation A Professional Practice for Built Environment Professionals
				BSc (Hons) in Construction Project Management	Project Management and Health and Safety Risk Management Construction Technology and Building Services Procurement and Contract Practice
				MSc in Programme and Project Management	Project Risk Management Research Methods and Professional Skills
	Jenny	Master of Business Administration	University of Lincoln, UK	APEC	Advanced Elementary Intermediate
				BSc (Hons) Business Management	Pre-Intermediate Academic Reference Graduate Workplace International Marketing Business Research Finance and Investment An Inquiry Method for Business Students
				Foundation of Foundation for Higher Education	Introduction to Management and Competitive Advantage
	Lum Kum Meng	PhD Electronic Engineering	University of Surrey, UK	BSc (Hons) in Electrical and Electronics Engineering	Mathematics for Physics
				BEng (Hons) Telecommunications and Networks	Advanced Mathematics
				Certificate of Foundation for Higher Education	Computer Architecture Logic and Sets
				Higher Diploma in Computer Science	Object Oriented Programming Computer Architecture Engineering Mathematics
				Higher Diploma in Electronic Engineering	Digital Electronics Object Oriented Programming Electrical Technology Analogue Electronic Technology Control Engineering Electronic Circuits for Applications
	Ong Hock Chye	Master of Business Administration	University of Leicester, UK	BSc (Hons) Business Management	Business Research Methods Business Skills International Marketing Leadership and Change Managing and Leading People
				Higher Diploma in Business Management	Managing Human Resources Developing Human Capital Organisational Behaviour
				Master of Business Administration	Developing Human Capital
				MSc in Project Management	Advanced Mathematics
				Certificate of Foundation for Higher Education	Advanced Digital Electronics Mathematics(Foundation)
	Sun Wei Hoong	Master of Engineering	National University of Singapore	Diploma in Engineering Technology	Introduction to Programming Physics(Foundation) Digital Circuits
				Higher Diploma in Electrical Engineering	Communications Systems Digital Circuits
				BEng (Hons) Mechatronics BEng (Hons) Electrical and Electronics Engineering	Advanced Engineering Mathematics Project Management
	Tan Khee Shian	Bachelor of Arts (Education)	Nanyang Technological University, Singapore	APEC	Advanced Elementary Intermediate Pre-Intermediate
	Daniel Ang Poh Chye	Master of Business Administration	Southern Cross University, Australia	BSc (Hons) Business Management	Business Academic and Management of Finance Introduction to HR Practice Business Management Business and Social Entrepreneurs
				Higher Diploma in Business Management	Business Skills Introduction to Business Organisation Introduction to Marketing Management Accounting The MBA Framework Marketing Management
				Master of Business Administration	Developing Financial Capabilities
	Juse Ho Ching Yee	Master of Business Administration	University of Hull, UK	MSc in Project Management	Business Skills
				MSc (Hons) in Business Management	Academic Method for Graduate Studies Business Research Methods
				Certificate of Foundation for Higher Education	Skills for Independent Learning Business and Social Entrepreneurs
				Higher Diploma in Business Management	Business Organisation Introduction to Business Organisation Introduction to Marketing Management and Leading People Business Information Systems
				MSc in Project Management	International Business and Marketing Business Project Management
	Sunny Lim Heng Seng	Master of Business Administration	University of Adelaide, Australia	BSc (Hons) Business Management	Research Skills Introduction to Business Economics
				Higher Diploma in Business Management	Business Skills in Professionals Introduction to International Business Introduction to Marketing
				MSc in Programme and Project Management	Business Management Project Management Project Management in Practice
				MSc in Project Management	New Communication and Networking
	William Kuchiew Chiang	MSc Computing	National University of Singapore	Higher Diploma in Computer Science	Introduction to Programming Object Oriented Programming Internet Computing & Security Management
	William Lee Hong Chai	Doctor of Business Administration	Curtin University of Technology, Australia	MSc in Project Management	Internet Computing & Security Management PRINCE2 Foundation & Practice Management PRINCE2 Development Review Conference
				MSc in Programme and Project Management	Introduction to Programming Object Oriented Programming Leadership and Change Managing and Leading People Business Information Systems Internet Computing & Security Management
	Zam Ong Ho Yhou	Bachelor of Applied Science (Computer Engineering)	Nanyang Technological University, Singapore	Higher Diploma in Computer Science	Database Management Systems Object Oriented Programming
				Higher Diploma in Electronic Engineering	Introduction to Networks Law, Economics and Management
	Wong Weye Thong, Roland	MSc International Construction Management	Nanyang Technological University, Singapore	Diploma in Construction Project Management	Construction Technology and Services Construction Technology and Building Services
				BSc (Hons) in Construction Project Management	Project Management and Health and Safety Risk Management Procurement and Contract Practice Site Management Professional Practice for Built Environment Professionals Collaborative Practice Construction Contract Law Management Finance for the Built Environment Project Management Principles
	Shaheree D/O Sarimuthu	Diploma in TESOL	London Teacher Training College	APEC	Advanced Elementary Intermediate Pre-Intermediate
Part-time	Sumartono Bin Rono Pawiro	BSc Construction Project Management	Heriot Watt University	Higher Diploma in Business Management	English Communication Business Science
				Diploma in Construction Project Management	Design Project for Construction Managers ESTIMA Financial Accounting
	Yong Wee Xi, Audrey	MSc in Applied Finance	Singapore Management University	Higher Diploma in Business Management	e-ESTIMA Management Accountancy Business Information Systems
				Master of Business Administration	Business Management and Project Analytics
				MSc in International Land Based Management	Professional Management of Projects
				MSc in Project Management	Professional Management of Projects
	Audrey Yvonne Pereira	Bachelor of Arts	National University of Singapore	APEC	Advanced Elementary Intermediate Pre-Intermediate
	Yohanes Dasa	Doctor of Philosophy	National University of Singapore	BEng (Hons) Mechatronics	Integrated Design Project Control and Instrumentation Engineering
	Hanim Bora	Bachelor in Mechanical Engineering	National University of Singapore	BEng (Hons) Electrical and Electronics Engineering	Theory of Machines and Thermodynamics
	David Soh Seng Choon	Master of Business International Marketing	Curtin University of Technology, Australia	MSc in Programme and Project Management	Legal Studies
	Khin Khine Lwin Kyaw	MSc in International Law	Panthéon-Sorbonne University, FR	MSc in International Land Based Management	Professional Management of Projects
				BSc (Hons) in Construction Project Management	Project Risk Management
	Lim Chun Kit	Doctor of Philosophy	Nanyang Technological University, Singapore	Diploma in Engineering Technology	Physics(Foundation) Mathematics(Foundation) Electrical Technology Introduction to Programming Analogue Electronic Technology
				Diploma in Engineering Technology	Data Communication and Networks Architecture Foundation Mechatronics
	Victor Tan Kwang Hwee	MSc in Information Studies	Nanyang Technological University, Singapore	BEng (Hons) Mechatronics BEng (Hons) Electrical and Electronics Engineering	Power Electronics and Generation Advanced Engineering Mathematics Digital Electronics Control Engineering Electrical Technology Industrial Attachment Industrial Electronics Advanced Engineering Mathematics
				BEng (Hons) Mechatronics	Mechatronics and Control Systems Integration
				BEng (Hons) Electrical and Electronics Engineering	Control and Instrumentation Engineering Electrical Transmission and Distribution
	Alvin Lam Wee Wah	Master of Business Administration	Murdoch University	BSc (Hons) in Computer Security	Industrial Attachment Professional in Forensics and Security Dissertation, Project Management and Research Business and Social Issues Multi-Tier Web Architecture Enterprise Risk in Security Professional Ethics in Security Network Vulnerability Assessment Wireless and Mobile Networking Systems Defense Strategies
	Nam Ng Keng Huat	Master of Science (International Construction Management	Nanyang Technological University, Singapore	BSc (Hons) in Construction Project Management	Project Management and Health and Safety Risk Management Procurement and Contract Practice Site Management Collaborative Practice Professional Practice for Built Environment Professionals
	Muhammad Nuruddin Bin Hassan	BSc (Hon) in Business Information Technology	University of Central England	Diploma in Engineering Technology	Introduction to Programming Data Communication and Networks
				BSc (Hons) in Computer Security	Dissertation, Project Management and Research Business and Social Issues Professionals in Forensics and Security Network Vulnerability Assessment Privacy and Security Wireless and Mobile Networking Network Penetration Methods Multi-Tier Web Architecture Professional Ethics in Security
	Ng Wai Mun	BSc (Hon) in Computing & Information Systems	The University of Nottingham	BSc (Hons) in Computer Security	Secure Web Application Development Network Vulnerability Assessment
	Lau Zi Rui	Bachelor of Engineering (Aerospace Engineering)	Nanyang Technological University, Singapore	Diploma in Engineering Technology	Physics(Foundation) Electrical Technology Introduction to Programming Analogue Electronic Technology Digital Circuits
				BEng (Hons) Mechatronics Hons) Electrical and Electronics Engineering	Advanced Engineering Mathematics Digital Electronics
				BEng (Hons) Mechatronics	Theory of Machines and Thermodynamics Dynamics and Control
	Xu Jun	Master of Science (Civil Engineering)	National University of Singapore	Diploma in Construction Project Management	Construction Technology and Services ESTIMATEConstruction Technology and Services e-ESTIMA Building Science
				BSc (Hons) in Construction Project Management	Construction Technology and Building Services Project Management and Health and Safety Risk Management Procurement and Contract Practice Site Management Professional Practice for Built Environment Professionals Collaborative Practice
				MSc (Hons) in Construction Project Management	Construction Contract Law Management Finance for the Built Environment Project Management Principles
	Aceee Ho Kai Lin	Master of Science (Project Management)	Universiti Sains Malaysia	Diploma in Construction Project Management	Construction Technology and Services ESTIMATEConstruction Technology and Services e-ESTIMA Building Science
				BSc (Hons) in Construction Project Management	Project Management and Health and Safety Risk Management Procurement and Contract Practice Site Management Professional Practice for Built Environment Professionals Collaborative Practice Construction Contract Law
				MSc (Hons) in Construction Project Management	Construction Contract Law Project Management Principles Project Risk Management Practice Sustainability in the Built Environment BIM in Construction Operations Procurement
